Dear Ms. Knecht:

I am making a request under the Freedom of Information Act for material I believe to be available to the public. This request is a revision of an earlier FOIA request, which you and I discussed on the telephone earlier today.

I request a copy of the U.S. Military Academy's alcohol and drug abuse prevention control program. If possible, please provide the copy in an electronic format or direct me to a Web site where it is published. Otherwise, a hard copy is acceptable.

As a journalist working to benefit the public, I ask you please waive all fees associated with my request. For arguments in favor of my request, please see my letter of September 10 which was addressed to you. If the Military Academy judges the arguments are insufficient, The Salt Lake Tribune is willing to pay fees less than \$100.

Thank you for your time in this matter.

Sincerely,

Nate Carlisle
