Re: Public records request

Dear Mr. Carlisle,

I am in receipt of your letter dated July 30, 2007, regarding your request for information on the drug testing of University of Central Florida athletes. Please note that the UCF Athletics Association is a direct support organization of the university, as defined by Florida statute 1004.28(5). Direct-support organizations, and their records, are exempt from the provisions of Florida statute 119.07. Therefore, we are declining to release the documents responsive to your request.

Please contact me if you have any questions.

Sincerely,

Tanya Perry
