Dear Mr. Carlisle:

This letter is in response to your Open Records request received February 7, 2007. You requested the following:

“I request the following related to the drug testing of University of Kentucky athletes conducted sine January 1, 2004, unless otherwise stated. You may provide information about previous years, if you wish. You may redact information specifically identifying students if you are concerning disclosing the information will violate state or federal laws.

- Documentation or an accounting of all positive tests. This might include internal forms recording positive tests or an electronic spreadsheet or database.
- A calendar or other documentation indicating the frequency of drug tests administered to athletes.
- Records related t punishments levied for positive tests.
- The budget for or amount of money dedicated to drug testing for fiscal or calendar years, 2004, 2005, 2006 and 2007.
- Audits or reports discussing the drug testing of athletes, excluding standardized information provided by other government agencies or the NCAA.
- Contracts or agreements with vendors who have a role in drug testing athletes.
- All information provided by vendors the last time your institution put the drug testing of athletes up for bid or requested proposals.
