Dear Mr. Carlisle:

This is a follow-up to my letter to you dated February 14, 2007. You requested the following:

“I request the following related to the drug testing of University of Kentucky athletes conducted since January 1, 2004, unless otherwise stated. You may provide information about previous years, if you wish. You may redact information specifically identifying students if you are concerned disclosing the information will violate state or federal laws.

-- Documentation or an accounting of all positive tests. This might include internal forms recording positive tests or an electronic spreadsheet or database.”

RESPONSE: Copies of drug test summary results are attached hereto for the periods 9/1/05-5/15/06; 9/1/04-3/4/05; and 8/1/03-4/30/04.

-- A calendar or other documentation indicating the frequency of drug tests administered to athletes.”

RESPONSE: Attached hereto are copies of the University of Kentucky Athletics Department Drug and Alcohol Program manuals for 2006-07; 2005-06; 2004-05 and 2003-04 which include the requested information. As stated in the manual, “each student-athlete will be subject to multiple screenings on a weekly basis.”

“-- Records related to punishments levied for positive tests.”

RESPONSE: Please refer to the ‘Disciplinary Action’ sections of the enclosed manuals for the requested information.

“-- The budget for or amount of money dedicated to drug testing for fiscal or calendar years, 2004, 2005, 2006 and 2007.”

RESPONSE: There is not a single record that is specifically responsive to your request. However, we asked the Athletics Department to determine the drug testing expenses incurred over the past few years, and that information is attached hereto for the period July 1, 2003 through January 31, 2007.

“-- Audits or reports discussing the drug testing of athletes, excluding standardized information provided by other government agencies or the NCAA.”

RESPONSE: We do not have any additional records to provide in response to this request. Records provided in response to requests above may also be responsive to this request.

“-- Contracts or agreements with vendors who have a role in drug testing athletes.”

RESPONSE: Provided herewith is a memorandum to Forward Edge, Inc. from Keith Webster regarding drug testing services.

“-- All information provided by vendors the last time your institution put the drug testing of athletes up for bid or requested proposals.”

RESPONSE: There are no records to provide to you in response to this request.

When possible, please provide materials in common electronic formats via e-mail or compact disk. For materials fitting my request found on the Internet, please direct me to the Web address.”

The records are attached electronically so there is no charge.

Sincerely yours,
