Re: **Open Records Request, dated January 30, 2007**

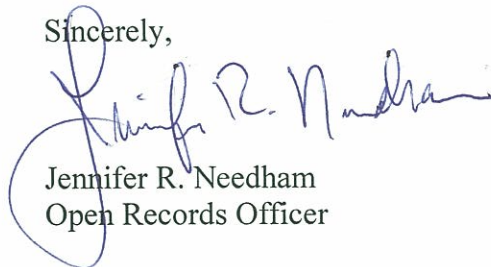

Dear Mr. Carlisle,

I am in receipt of your Open Records Act ("ORA") request dated January 30, 2007, in which you request specific items concerning University of Oklahoma ("OU") drug testing of athletes since January 1, 2004

OU is dedicated to honoring each ORA request in a thorough and efficient manner. Attached you will find all responsive documents we maintain. As you are aware, state and federal law prohibit releasing personally identifiable student information. Accordingly, student names along with any information that could be used to easily trace a student's identity have been redacted.

Thank you for your patience as we gathered the data necessary to fulfill your request. Should you have any questions regarding the contents of this letter or the documentation provided, do not hesitate to contact this office.

Sincerely,

Jennifer R. Needham
Open Records Officer
