Mr. Carlisle:

I have sent your request regarding a breakdown of positive tests by sport and detected substance and have been provided the following response:

Athletics Response: No responsive documents exist because drug tests are administered at random. Drug tests are neither administered by team nor are any drug test results tracked or recorded by team.

Thank you.

Dear Ms. Gilmore:

Thank you for your letter of Aug. 9 and the documents you enclosed.  
Will the university please provide a breakdown of positive tests by sport and detected substance?

Sincerely,
