Re: Tennessee Public Records Act request

Dear Ms. DeRoy:

The University of Tennessee Athletic Department has gathered all documents that are responsive to your letter dated September 11, 2007 and that are covered by the Tennessee Public Records Act ("TPRA"). These documents are available for your inspection during normal business hours. If you wish to arrange a time to review these documents, please let me know. In lieu of an on-site inspection, our office will provide a copy of the documents to you. The documents total 81 pages, and the University charges \$.50 per page for copying documents responsive to TPRA requests. Accordingly, if you send payment for \$40.50 to the above address, the University will mail a copy of all responsive documents to you.

If you have any questions about this matter, please give me a call.

Very truly yours,

A handwritten signature in black ink, appearing to read "Michael D. Fitzgerald".
