**VOLLEYBALL HIGHLIGHTS**

» Pleasant Grove and Lone Peak have played for the past three 5A state championships. Lone Peak finished on top this season.

» Kalani Norris, of Panguitch, broke both the career and season kill records, leading the Bobcats to their second straight title and a perfect 34-0 season.

» Snow Canyon has now won five straight titles, beating Dixie in the past four of them.

» After winning five straight titles from 2003-2007 but missing out in 2008-09, the San Juan Broncos finally got back on top with a four-game win over Enterprise in the finals.

» Morgan dominated the 3A field, going 24-2, losing only to two teams from California en route to a championship.
